## Post-Secondary Scholarship Essay Competition

To high school graduating students:

The Newfoundland Aquaculture Industry Association (NAIA) is pleased to announce its first annual scholarship competition for graduating students from high schools. The NAIA will award two scholarships to deserving students pursuing a post-secondary education of their choice. The scholarships valued at \$500 and \$250 will be awarded to students who, in the opinion of the selection committee, provide the best essay.

In order to apply please submit an essay of 750 words or less on “*The Benefits of Aquaculture to my Community*”. Please provide your name, contact information and where you plan to go to school in the fall of 2013 along with your essay. Please submit the information to: Cyr Couturier, c/o NAIA Scholarship Committee, vial email: [cyr@naia.ca](mailto:cyr@naia.ca) or by fax 1-709-754-2981.

The deadline for submitting the essay is 15 June 2013, and winners will be notified soon after this date. The NAIA may want to publish your essay in its quarterly newsletter, so please indicate on your submission if you are in agreement with this or not.

The NAIA represents commercial fish and shellfish farmers in NL as well as suppliers such as feed companies, with total turnover in excess of \$200M within our province. We are pleased to support this important initiative for our youth in the province.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Cyr Couturier', with a stylized flourish at the end.

Cyr Couturier  
Executive Director
