## **Manager Bay d'Espoir Operations**

Are you ready for the next step in your career?

Nova Fish Farms Inc. is an independent, Canadian owned, and fullintegrated Steelhead Trout Farming organization that is focused on the expansion and development of its business is looking to add a dynamic Manager Bay D'Espoir Operations to its operations team. This is a role for a motivated individual to have real impact on the growth of Nova Fish Farms Inc.

### **Steelhead Trout, Farmed Responsibly**

Did you know that more than a third of the fish stocks around the world are being over fished per the Food and Agriculture Organization of the United Nations? The same group has stated that aquaculture is a key step in reducing the burden on wild fish stocks while providing a sustainable and healthy food protein to consumers.

Nova Fish Farms Inc. has an extremely unique opportunity to bring sustainable Steelhead Trout to the North American market. With locations in New Brunswick, Nova Scotia, Prince Edward Island, and Newfoundland, Ocean Trout Canada is positioned to rapidly expand our current production to meet consumer demand.

### **Supervision & Coordination**

Reporting to the Manager Marine Operations, the **Manager Bay d'Espoir Operations** shall be responsible for overseeing the farming and harvesting operations of Steelhead Trout on the south coast of Newfoundland. This position is located in St. Albans, NL, and the successful candidate will be required to live in the area.

The **Manager Bay d'Espoir Operations** will have a robust team of individuals reporting to him or her to assist him or her in their duties. The key individuals include a production biologist, sales and marketing coordinator, health and safety officer, marine site supervisor, and a logistics coordinator.

The **Manager Bay d'Espoir Operations** shall direct the day to day operations, and with input from the team, plan the work activities, both on a weekly and seasonal basis. They will be responsible for overseeing the daily operation and maintenance of equipment and facilities. They will monitor fish health and welfare and ensure daily environmental checks are performed.

### **Other Duties**

The **Manager Bay d'Espoir Operations** will help maintain a respectful and safe work environment.

Nova Fish Farms Inc. offers competitive wages and has an established extended benefits plan for employees and their family. Please forward your resume to [info@oceantroutcanada.com](mailto:info@oceantroutcanada.com). We appreciate all applications. Only those chosen for interview will be contacted.
