

Newfoundland Aquaculture Industry Association

High School Graduating Students 6th Annual Scholarship

The Newfoundland Aquaculture Industry Association (NAIA) is pleased to announce its 6th Annual Scholarship for graduating students from high schools in Newfoundland and Labrador. Two scholarships, valued at \$500 and \$250, will be awarded to students pursuing a post-secondary education in marine or aquatic related studies. (sustainable aquaculture, marine biology, marine environment technology, ecology, nautical science, engineering, etc.)

Eligibility:

To be eligible, you must be graduating in 2018 and entering your first year of University or College.

Evaluation Criteria:

Based on academic achievement, references, level of community involvement and volunteerism.

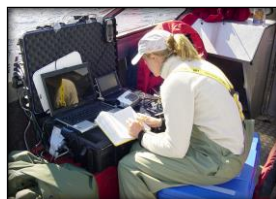

To Apply, Please Submit the Following:

1. Completed Application Form
2. Resume and Cover Letter outlining the rationale why you should be the successful recipient
3. Three Reference Letters: Academic (1), Professional (1), and Personal (1)
4. Recent Transcript

Review Process:

Applications will be reviewed by the NAIA scholarship committee. Deadline for submissions: **July 15, 2018**. Only those applicants who are successful in their application will be notified.

NAIA is a member based association with a mandate to facilitate and promote commercial development of aquaculture species in Newfoundland and Labrador. Our membership is composed of finfish and shellfish farmers, processors, service and supply companies and research institutions. We facilitate and deliver high quality programs and services to our members to attain excellence in all areas of aquaculture, including; safety, quality, environmental sustainability, and profitability. We are pleased to support this important initiative for our youth in the province.
