

Newfoundland Aquaculture Industry Association

High School Graduating Students 11th Annual Scholarship

The Newfoundland Aquaculture Industry Association (NAIA) is pleased to announce its 11th Annual Scholarship for graduating students from high schools in Newfoundland and Labrador. Two scholarships, valued at \$500 each, will be awarded to students pursuing a post-secondary education in marine or aquatic related studies. (Sustainable aquaculture, marine biology, marine environment technology, ecology, nautical science, engineering, etc.)

Eligibility:

To be eligible, you must be graduating in 2023 and entering your first year of University or College.

Evaluation Criteria:

Based on academic achievement, references, level of community involvement and volunteerism.

To Apply, Please Submit the Following:

1. Completed Application (Pg 2)
2. Resume and Cover Letter outlining the rationale why you should be the successful recipient.
3. Three Reference Letters: Academic (1), Professional (1), and Personal (1)
4. Recent Transcript

Review Process:

Applications will be reviewed by the NAIA scholarship committee. Deadline for submissions: **July 1, 2023**. Only those applicants who are successful in their application will be notified.

The Newfoundland and Labrador Aquaculture Industry Association (NAIA) is a member-based organization that represents the interests of seafood farmers and their suppliers in Newfoundland and Labrador. We are passionate advocates on behalf of our members to facilitate and promote the responsible development of the aquaculture industry. We are pleased to support this important initiative for our youth in the province.
